Agenda Item 8.3

Board of Education Action Item
April 13, 2021

Topic:
Consideration of the Madera-Mariposa Special Education Local Plan Area (SELPA) Plan

Background:
Along with all of the other Local Educational Agencies (LEAs) in Madera and Mariposa Counties, it is recommended that Boards adopt the Local Plan. The Local Plan for Special Education Services generally is updated on a three-year cycle. Among its contents, the plan describes the governance of the SELPA, the procedural safeguards in place for students, a description of the process of distributing Federal and State special education funds, dispute resolution procedures and a description of the Regional programs available to the students of a LEA. The plan also includes assurances that each member of the SELPA agrees to adhere to. Each of these assurances is required by law.

Financial Impact:
The adoption of this plan will not impose additional financial or programmatic impacts on the LEA. The plan now more closely aligns with current practice and includes all LEAs as part of the SELPA.

Resource:
Dr. Cecilia A. Massetti
Madera County Superintendent of Schools

Recommendation:
It is recommended the Board adopt the SELPA Local Plan for Special Education services.

The type, number and location of classes, programs and services will be approved by the superintendents' governance council.
