Breaking the ice : the true story of the first woman to play in the National Hockey League /	Book	"One day, a woman will play in the National Hockey League. If no one prevents her," said a twelve-year-old Manon Rhéaume. Manon always dreamed of playing hockey. So, when the team her father coached needed a goalie, five-year-old Manon begged for the chance to play. She didn't care that she'd be the only girl in the entire league or that hockey was considered a "boys' sport" in her hometown of Lac-Beauport, Quebec, Canada. All she cared about was the game. After her father gave her that first chance to play, she embarked on a spectacular, groundbreaking career in hockey. At every level of competition, Manon was faced with naysayers, but she continued to play, earning her place on prestigious teams and ultimately becoming the first woman to play a game in the NHL. Including an afterword written by Manon herself, Breaking the Ice is the true story of one girl's courage, determination, and love for the sport.	Women hockey players.; Hockey players.; Hockey.

The Fred factor : how passion in your work and life can turn the ordinary into the extraordinary /	Book	In his book The Fred Factor, Mark Sanborn recounts the true story of Fred, the mail carrier who passionately loves his job and who genuinely cares about the people he serves. Because of that, he is constantly going the extra mile handling the mail -- and sometimes watching over the houses -- of the people on his route, treating everyone he meets as a friend. Where others might see delivering mail as monotonous drudgery, Fred sees an opportunity to make a difference in the lives of those he serves. In The Fred Factor, Mark Sanborn illuminates the simple steps each of us can take to transform our own lives from the ordinary -- into the extraordinary. Sanborn, through stories about Fred and others like him, reveals the four basic principles that will help us bring fresh energy and creativity to our life and work: how to make a real difference everyday, how to become more successful by building strong relationships, how to create real value for others without spending a penny, and how to constantly reinvent yourself. By following these principles, and by learning from and teaching other "Freds," you, too, can excel in your career and make your life extraordinary. As Mark Sanborn makes clear, each of us has the potential be a Fred. The Fred Factor shows you how.	Success.; Achievement.; Attitude.; Job Satisfaction.; Leadership.; Workplace--psychology.

Joe Biden : Our 46th President.	Book	The road to the presidency of the United States was a long—and determined—one for Joseph Robinette Biden, Jr. From Joe's childhood in Scranton, Pennsylvania, and Wilmington, Delaware, his close-knit, devoted family gave him the foundation that would guide him through life. His family's unwavering support bolstered Joe when he was bullied for stuttering, attended law school, and became a public defender. They encouraged Joe when he pursued a career in politics and became the sixth youngest senator in US history. They consoled him when he suffered the devastating loss of his first wife and baby daughter and years later the death of his eldest son, Beau. And they cheered Joe when he served two vice presidential terms with President Barrack Obama. After a lifetime marked by perseverance, integrity, and accomplishment, Joe Biden and running mate, Kamala Harris, won the 2020 presidential election. And standing by his side each and every step of the way was his wife Jill, his children, and his grandchildren—his family.	Presidents.; Presidents--United States.--Biography.
Jump at the sun : the true life tale of unstoppable storycatcher Zora Neale Hurston /	Book	Zora was a girl who hankered for tales like bees for honey. Now, her mama always told her that if she wanted something, "to jump at de sun", because even though you might not land quite that high, at least you'd get off the ground. So Zora jumped from place to place, from the porch of the general store where she listened to folktales, to Howard University, to Harlem. And everywhere she jumped, she shined sunlight on the tales most people hadn't been bothered to listen to until Zora. The tales no one had written down until Zora. Kamala Harris : rooted in justice /	Book	When Kamala Harris was young, she often accompanied her parents to civil rights marches - so many, in fact, that when her mother asked a frustrated Kamala what she wanted, the young girl responded with: “Freedom!” As Kamala grew from a small girl in Oakland to a senator running for president, it was this long-fostered belief in freedom and justice for all people that shaped her into the inspiring figure she is today. From fighting for the use of a soccer field in middle school to fighting for the people of her home state in Congress, Senator Harris used her voice to speak up for what she believed in and for those who were otherwise unheard. And now this dedication has led her all the way to being elected Vice President of the United States. Told in Nikki Grimes's stunning verse and featuring gorgeous illustrations by Laura Freeman, this picture book biography brings to life a story that shows all young people that the American dream can belong to all of us if we fight for one another. Motor Mouse delivers	Book	Motor Mouse is a busy little mouse, between playing a game of croquet, riding a fancy bus, and discovering mystery stories. Come along with him on his adventures! In “A Good Game of Croquet,” Motor Mouse and his brother love playing croquet and they always play to win. That is, until Valentino starts watching Peaceful Planet and thinks it might be more peaceful if they played to lose. Motor Mouse thinks this is nonsense! It is always best to win…right? In “Day of the Double Decker,” Motor Mouse gets in his car for a full day of deliveries, but the car won’t start. His friend Winston the mechanic says his car needs to be in the shop for a week. How will Motor Mouse make his deliveries on time? Then the double decker bus rolls by. Perhaps Motor Mouse can take the bus. It will be an adventure. In “The Radio Mystery Book,” Motor Mouse loves reading everything, except mysteries. Mysteries keep him up at night and he can’t get into them during the day. So, he is excited when he discovers the Radio Mystery Show, where a host reads a mystery book aloud, one chapter a day. But after listening to the first chapter, Motor Mouse must know what happens! He rushes to the library, grabs the book from the shelf, and finds himself at a crossroads. Should he read the rest of the book all at once, or is it more fun to wait until tomorrow to hear the next chapter? This sweet and funny trio of stories is sure to have young readers wanting to visit with Motor Mouse again and again.	Mice--Fiction.; Mystery fiction.; Games--Fiction.; Reading--Fiction.

My transgender life: what it's like to be transgender & transition to a different sex.	DVD	*** Contains sensitive content presented in historical or educational context. ***. A moving documentary on what it's like to be transgender, to grow up in the wrong gender and eventually transition to a different sex. A documentary designed to record, share and celebrate the personal stories of transgender women and men and their stories of struggle, of courage and of triumph. Though they vary in age, ethnicity and socioeconomic backgrounds, each person has fought to cast off the gender assigned to them at birth and embrace their true selves. This program covers what it's like to grow up in the wrong gender and eventually transition. The decision to transition from one gender to another is a life changing one not just for the transgender person but for their family and friends. Male or female, boy or girl? Most of us can answer that question without a second thought, but for some people, the answer isn't so simple. This documentary takes us firsthand into the lives of seven people who are transgender, revealing their struggles and life changing transitions. It takes a powerful look at this new generation, exploring the medical possibilities, struggles and choices transgender teens, adults and their families face today. Encouraging classroom discussion, this program helps students to think of the differences in each of us in a positive way, breaking stereotypes, acceptance, challenging prejudice and increasing visibility for the transgender community. R-E-S-P-E-C-T : Aretha Franklin, the queen of soul /	Book	Aretha Franklin was born to sing. The daughter of a pastor and a gospel singer, her musical talent was clear from her earliest days in her father's Detroit church. Aretha sang with a soaring voice that spanned more than three octaves. Her incredible talent and string of hit songs earned her the title "the Queen of Soul." This Queen was a multi-Grammy winner and the first female inductee to the Rock and Roll Hall of Fame. And there was even more to Aretha than being a singer, songwriter, and pianist: she was an activist, too. Her song "Respect" was an anthem for people fighting for civil rights and women's rights. With words that sing and art that shines, this vibrant portrait of Aretha Franklin pays her the R-E-S-P-E-C-T this Queen of Soul deserves.
