Agenda Item 8.3

Board of Education Action Item
May 14, 2019

Topic:
Quarterly Report of Investments

Background:
Section 53646 of the Government Code requires the chief fiscal officer of each local agency to provide to the governing board a report of investments, on a quarterly basis. However, if all of an agency's funds are placed in the county treasury, Local Agency Investment Fund (LAIF)
or an FDIC-insured bank account, the most recent statement received from these institutions will suffice. If an agency has any other investments, additional reporting is required.

Following its 2018-2019 Investment Policy, all Madera County Office of Education funds are deposited in the Madera County Treasury, including the proceeds of the tax revenue anticipation notes (TRAN) program, when MCSOS participates. Therefore, we have attached a copy of the latest monthly investment report from the Madera County Co-Mingled Investment Pool which includes its most recent list of investments.

The County Treasurer-Tax Collector's investments continue to provide as favorable a rate of return as can be expected in the current financial market. The current effective rate of return is 1.92% and favorable to last year's rate of return of 1.49 due to the strong financial market. In addition the last quarter rate of return was 1.76%

Fiscal Impact:
Approximately $20,000 per year.

Resource:
Steve Carney
Deputy Superintendent

Recommendation:
Approval as presented.

MEMORANDUM

Date: April 12, 2019
To: Madera County Commingled Investment Pool Participants
From: Tracy Kennedy, Treasurer-Tax Collector
Subject: Investment Portfolio Summary- March 2019

REQUIREMENT

In compliance with Government Code 53646 (b) the County Treasurer is, at a minimum, required to submit a quarterly investment report within 30 days following the end of each quarter. The Treasurer, however, elected to exceed the minimum requirement by increasing its frequency to a monthly report and disseminate to all pool participants.

Also required in the report is a disclosure of type of investment, name of issuer, date of maturity, par value and the sub total amounts invested for each category held by the County Treasurer including the market value provided by our custodial bank Wells Fargo. For your convenience, our investment reports can also be found on our website at:

www.maderacounty.com/government/treasurer -tax-collector.

While the County Treasurer takes all economic conditions under advisement, our primary goal is to ensure proper liquidity is available for all depositors while taking into consideration all pool expenditure requirements.
