

School District Integrated Pest Management Plan

When completed, this template meets the Healthy Schools Act requirement for an integrated pest management (IPM) plan. An IPM plan is required if a school district uses pesticides¹.

IPM statement

It is the goal of Madera Co. Supt. of Schools to implement IPM by focusing on long-term prevention or suppression of pests through accurate pest identification, by frequent monitoring for pest presence, by applying appropriate action levels, and by making the habitat less conducive to pests using sanitation and mechanical and physical controls. Pesticides that are effective will be used in a manner that minimizes risks to people, property, and the environment, and only after other options have been shown ineffective.

Our pest management objectives are to: *(Example: Focus on long-term pest prevention)*

Provide our sites with a pest free environment by utilizing integrated pest management techniques to first prevent, then remedy an pest situation before contacting a vendor who is also well versed with IPM practices.

IPM team

In addition to the IPM Coordinator, other individuals who are involved in purchasing, making IPM decisions, applying pesticides, and complying with the Healthy Schools Act requirements, include:

Name and/or Title	Role in IPM program
Opie Riar/ Manager, Facilities, Maintenance & Operation.	Decision making/purchasing
Maintenance & Custodial Staff	Prevention techniques, baiting, trapping, dewebbing, reporting, sanitation

Pest management contracting

- Pest management services are contracted to a licensed pest control business.
Pest Control Business name(s): Conquest Pest Control
- Prior to entering into a contract, the school district has confirmed that the pest control business understands the training requirement and other requirements of the Healthy Schools Act.

Pest identification, monitoring and inspection

Pest Identification is done by: Staff and Pest Control Vendor
(Example: College/University staff, Pest Control Business, etc.)

Monitoring and inspecting for pests and conditions that lead to pest problems are done regularly by Maintenance & Operations Staff and results are communicated to the IPM Coordinator.
(Example: District staff title, e.g. Maintenance staff)

Specific information about monitoring and inspecting for pests, such as locations, times, or techniques include:
(Example: Sticky monitoring boards are placed in the kitchen and are checked weekly by custodial staff.)

Sticky monitoring, bait monitoring, observing any activity via "trails" - monitoring/observing is conducted daily as staff go to complete other work as well as custodial duties. If anything is found, it is reported to IPM Coordinator. Staff also consider seasonal pests that are more active in spring/summer vs. the different needs during fall/winter.

Pests and non-chemical management practices

This school district has identified the following pests and routinely uses the following non-chemical practices to prevent pests from reaching the action level:

Pest	Remove food	Fix leaks	Seal cracks	Install barriers	Physical removal	Traps	Manage irrigation	Other
Ants	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Educate staff on how to assist.
Roaches	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Educate staff on how to assist.
Fleas	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Monitor for any vermin on site.
Wasps	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Educate staff on how to assist.
Mice	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Educate staff on how to assist.
Ferrell Cats	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Educate staff on how to assist.

Chemical pest management practices

If non-chemical methods are ineffective, the school district will consider pesticides only after careful monitoring indicates that they are needed according to pre-established action levels and will use pesticides that pose the least possible hazard and are effective in a manner that minimizes risks to people, property and the environment.

This school district expects the following pesticides (pesticide products and active ingredients) to be applied during the year. (This list includes pesticides that will be applied by school district staff or licensed pest control businesses.):

Please see notification letter below.

Healthy Schools Act

- This school district complies with the notification, posting, recordkeeping, and all other requirements of the Healthy Schools Act. (Education Code Sections 17608 --- 17613, 48980.3; Food & Agricultural Code Sections 13180 --- 13188)

Training

Every year school district employees who make pesticide applications receive the following training prior to pesticide use:

- Pesticide specific safety training (Title 3 California Code of Regulations 6724)
- School IPM training course approved by the Department of Pesticide Regulation (Education Code Section 16714; Food & Agricultural Code Section 13186.5).

Submittal of pesticide use reports

- Reports of all pesticides applied by school district staff during the calendar year, except pesticides exempt¹ from HSA recordkeeping, are submitted to the Department of Pesticide Regulation at least annually, by January 30 of the following year, using the form provided at www.cdpr.ca.gov/schoolipm. (Education Code Section 16711)

Notification

This school district has made this IPM plan publicly available by the following methods (check at least one):

- This IPM plan can be found online at the following web address: <https://mcsos.org>
- This IPM plan is sent out to all parents, guardians and staff annually.

Review

- This IPM plan will be reviewed (and revised, if needed) at least annually to ensure that the information provided is still true and correct.

Date of new review: July 1, 2022

I acknowledge that I have reviewed this school district's IPM Plan and it is true and correct.

Signature: Opie Riar

Date: 07/01/2022

¹These pesticides are exempt from all Healthy Schools Act requirements, except the training requirement: 1) products used in self-contained baits or traps, 2) gels or pastes used as crack and crevice treatments, 3) antimicrobials, and 4) pesticides exempt from U.S. EPA registration. (Education Code Section 17610.5)

Cecilia A. Massetti, Ed.D.
Superintendent of Schools

July 1, 2022

TO: Parents/Guardians and MCSOS Employees
FROM: Fred Cogan, Executive Director, Career & Alternative Education
RE: Healthy Schools Act

The Healthy Schools Act of 2000, requires all California school districts to notify parents/guardians and staff of pesticides that could be applied during the year. We could potentially use the following pesticides at your school site this year:

Name of Pesticide	Active Ingredient(s)	EPA Number
<i>Demand CS</i>	Lambda-Cyhalothrin	100-1066
<i>Tempo SC</i>	Cyfluthrin	3125-498
<i>Delta Dust</i>	Deltamethrin	432-772
<i>Wasp Freeze</i>	Allethrin	499-362
<i>Maxforce Gel (ants)</i>	Fipronal	432-1264
<i>Maxforce Gel (roach)</i>	Fipronal	432-1259
<i>Maxforce Granual</i>	Hydramethylon	64248-19
<i>Precor 2000</i>	Methoprene/Permethrin/Phenothrin	2724-490
<i>RoundUp</i>	Isopropylamine Salt of Glyphosate	524-445
<i>Ranger Pro</i>	Isopropylamine Salt of Glyphosate	524-517
<i>Weed-B-Gon by Ortho</i>	Triclopyr, Triethylamine Salt	239-2491
<i>Turflon Ester</i>	Triclopyr	17545-8
<i>CatchMaster Roach Killing Powder</i>	Boric Acid	48377-1
<i>TalstarP</i>	Bifenthrin	279-3206

You can find more information regarding these pesticides and pesticide use reduction at the Department of Pesticide Regulation's website at: <http://www.cdpr.ca.gov>.

Pesticide applications normally occur during after school hours on a weekday. Parents/Guardians and staff may request to be put on a registry to receive prior notification of individual pesticide applications at the following sites: Madera County Superintendent of Schools, Gould Educational Center, Howard Educational Center, Millview Educational Center, Apollo Campus, Pioneer Technical Center, Ronald Reagan Pre-K, Madera County Independent Academy, Wilson Pre-K, Pioneer Technical Center Chowchilla, Early Start, and Early Education Center. Those who are listed on this registry will be notified at least 120 hours before pesticides are applied.

If you would like to be notified of when MCSOS applies a pesticide, please contact Jose Espinoza at (559)673-6051 Ext. 6288 to be placed on this notification registry. You may also send the request to Madera County Superintendent of Schools, Attention Jose Espinoza, 1105 S. Madera Avenue, Madera, CA 93637 or email jespinoza@mcsos.org. Be sure to include your name, the school site, address, zip code, and phone number. If you have any questions, please call (559) 673-6051 Ext. 6288.

 DE: Fred Cogan, Executive Director, Career & Alternative Education
 RE: Acto de Salud de Escuelas

El Acto de Salud de Escuelas del 2000, requiere que todos los distritos de las escuelas de California notifiquen a padres/guardianes y al personal de los pesticidas que pueden ser aplicados durante el años. Podremos potencialmente utilizar los siguientes pesticidas en su sitio escolar este año.

Name of Pesticide	Active Ingredient(s)	EPA Number
<i>Demand CS</i>	Lambda-Cyhalothrin	100-1066
<i>Tempo SC</i>	Cyfluthrin	3125-498
<i>Delta Dust</i>	Deltamethrin	432-772
<i>Wasp Freeze</i>	Allethrin	499-362
<i>Maxforce Gel (ants)</i>	Fipronal	432-1264
<i>Maxforce Gel (roach)</i>	Fipronal	432-1259
<i>Maxforce Granual</i>	Hydramethylon	64248-19
<i>Precor 2000</i>	Methoprene/Permethrin/Phenothrin	2724-490
<i>RoundUp</i>	Isopropylamine Salt of Glyphosate	524-445
<i>Ranger Pro</i>	Isopropylamine Salt of Glyphosate	524-517
<i>Weed-B-Gon by Ortho</i>	Triclopyr, Triethylamine Salt	239-2491
<i>Turflon Ester</i>	Triclopyr	17545-8
<i>CatchMaster Roach Killing Powder</i>	Boric Acid	48377-1
<i>TalstarP</i>	Bifenthrin	279-3206

Usted puede encontrar más información con respecto a estos pesticidas y la reducción del uso del pesticida en el Departamento de Regulaciones de Pesticidas en el sitio cibernético: <http://www.cdpr.ca.gov>.

Los usos de pesticidas ocurren normalmente durante después de horas de escuela en un día de trabajo. Padres/guardianes y el personal pueden solicitar ser puesto en un registro para recibir una notificación anterior de los usos individuales del pesticida en los sitios siguientes: Superintendente de Escuelas del Condado de Madera, Centro Educativo Gould, Centro Educativo Howard, Centro Educativo Millview, Centro del Campus de Apollo, Centro Tecnológico Pioneer, Ronald Reagan Pre-K, Academia Independiente del Condado de Madera, Wilson Pre-K, Centro Tecnológico Pioneer Chowchilla, Early Start, y Centro de Educación Temprana. Notificarán a los que se encuentran en este registro por lo menos 120 horas antes de que los pesticidas se apliquen.

Si usted quisiera ser notificado cuando MCSOS aplica un pesticida por favor póngase en contacto con Jose Espinoza al (559) 673-6051 Ext. 6288 para ser colocado en este registro de la notificación. Usted puede también enviar la petición a la Superintendente de Escuelas del Condado de Madera, Atención Jose Espinoza, 1105 S. Madera Avenue, Madera, CA 93637 o a través del correo electrónico jespinoza@mcsos.org. Asegúrese de incluir su nombre, el sitio escolar, la dirección, el código postal, y el número de teléfono. Si usted tiene cualquier pregunta por favor llame al (559) 673-6051 Ext.6288.
