## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

I would like to welcome all of you to the 2023-24 school year. The last couple of years have taught us important lessons to help ensure all students have access to updated technology to continue to make academic progress. The Endeavor/Voyager staff continues to work collaboratively with correctional staff to provide greater access to technology devices and programs for academic support and additional programs and resources to support students' social-emotional needs. We value all of our students and know this arrangement will lead to greater academic success in a safe learning environment. I want you to know that the entire educational staff has worked hard and collaboratively with Juvenile Probation staff to prepare for this school year to continue supporting each student's progress toward high school graduation.

We will provide challenging curriculum and opportunities to learn in groups and individually, while ensuring that all students receive educational supports required to make academic progress and meet proficiency. We encourage all of you, students and parents, to communicate with us any ideas you have to make Endeavor/Voyager a better school. Field trips and other school activities will extend learning beyond the classroom, and hope to provide more of these rewarding opportunities. In addition, we invite parents to join formal committees, such as SSC, ELAC and DELAC, since your input is valuable and contributes to the best learning opportunities for your child.

While your child is with us, we will provide challenging, thought provoking learning opportunities to prepare them for success in other educational settings. If there is anything we can do to support your child's academic success, please let us know.

Students are only placed into these programs by the Juvenile Court. A student's probation officer may make a recommendation to the court for any of these placements.

Endeavor Secondary School and Voyager Secondary School are the assigned school names for the Madera County Superintendent of Schools Juvenile Hall and Cadet Academy educational programs. They are both located in the same juvenile detention facility, but in separate pods of the building. While students do not interact with students in other pods during the school day, teachers rotate throughout the pods providing academic instruction.

Endeavor students are placed in Juvenile Hall by Madera County Probation, Law Enforcement, or the Juvenile Court judge. The average stay is 24 days, however, several students are often incarcerated for longer periods. Voyager is a Cadet Academy, and students are court ordered to attend. The average stay for cadets is six months. Both of these programs are fully

## 2023-24 School Description and Mission Statement

accredited by the Western Association of Schools and Colleges (WASC).

Regards,  
Hugo Sánchez  
Program Director

### Mission Statement:

By nurturing meaningful relationships with students, families, and communities, the CAES mission is to provide students the greatest chance at a lifetime of upward mobility by maintaining an inclusive, educational environment supported by empathetic teachers and staff. We will provide challenging core academics, career technical education, and ensure that every student is provided a solid foundation with the opportunity to pursue multiple pathways.

The vision of the Madera County Superintendent of Schools Programs is to provide an inclusive environment that promotes academic and personal achievement, encouraging the development of life-long learners. .

### SLO's (Student Learning Outcomes)

Be academically successful by:

1. Increasing the percentage of classes completed.
2. Improving performance in all subject areas through increased critical thinking.
3. Working toward obtaining a diploma or certificate of completion.

Demonstrate responsibility/accountability by:

1. Attending school on a regular basis.
2. Following school/classroom rules and expectations.
3. Being engaged in and connected to school.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

## School Facility Conditions and Planned Improvements

The Juvenile Hall facility is owned and maintained by Madera County. If there are any maintenance or cleaning concerns, educational staff notifies the Probation Department who assigns work orders. Items are fixed/resolved in a timely manner.

The Juvenile Hall classrooms for Endeavor/Voyager from Madera County Superintendent of Schools (MCSOS) are inspected for the safety and needed repairs on a consistent basis, no less than one time per year. MCSOS employees such as administration, instructional staff and operations/maintenance staff who have been trained in the Williams procedures participate in the inspection. Since the facility is primarily maintained by Madera County Probation Department, needed repairs are addressed in a timely manner. A process is in place where needed repairs are brought to the attention of operations/maintenance staff so that repair/replacements are completed in a timely manner. Classrooms are routinely cleaned and any deep cleaning occurs during extended school breaks.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2023-24 Opportunities for Parental Involvement

While there are few extracurricular activities for students in Juvenile Hall and Cadet Academy, Endeavor/Voyager parents are kept informed of their child's progress through their teachers, administration, academic counselors, probation officers, and through the mailing of various informational documents. Teachers communicate primarily through phone calls or parent/teacher/principal conferences (IEPs), but as an organization, has started using videoconferencing options to allow parents to participate and give feedback. Parents are invited to observe sports competitions held several times a year outside of the Juvenile Hall facility, along with poetry and essay contests Cadet Academy students participate in. Through the CAES Combined School Site Council (SSC), parents collaborate to approve the annual budget for Title I Part D funds and help develop the School Site Plan, LCAP and updating the Parental Involvement Plan. ParentSquare allows for individual communication between teachers and parents through emails and messaging options, as well as informing all parents of school and informational events. Furthermore, ParentSquare allows for communications to be translated into English and Spanish.

### C. Engagement

#### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

## 2023-24 School Safety Plan

The Safe Schools Plan is updated annually. During the school year, meetings are scheduled to review the plan to ensure its continued appropriateness and to make any necessary changes based upon recommendations. Members include administrators, teachers, school nurses, maintenance and operations staff, and parents. Contents of the Safe Schools Plan include, but are not limited to, the following: safe school strategies and programs, disaster and emergency response procedures, threat assessment protocol, school discipline procedures including suspension and expulsion recommendations, procedures for safe ingress and egress from school. A survey is provided to staff members in the spring. The analysis of the results assists the committee in the development of new goals and activities to promote a safe school environment. Drills are conducted regularly to practice emergency responses. Specific training includes Run, Hide, Fight to prepare staff for the appropriate response in the unlikely event of an active shooter. Updates to the plan including new goals, objectives and activities are reviewed with instructional staff. Safe Schools Plans are maintained at the sites and are approved by the Madera County Board of Education annually. This year's plan was approved at the October 10, 2023 meeting.

## Professional Development

Madera County Superintendent of Schools (MCSOS) is committed to providing high quality professional development to its instructional staff including teachers, specialists, and instructional assistants. Eight full days were dedicated to professional development and instructional preparedness, and the remaining 8 days were the sum total of weekly professional development training conducted every Friday for 75 minutes. Specialists from MCSOS provided much of the professional development, which focus primarily on increasing student achievement in English-Language Arts, Mathematics, and English Language Development to meet the needs of English Learners. Another important component of professional development has teachers
