

**Endeavor/Voyager Secondary (Juvenile Hall)**  
**School Accountability Report Card**  
**Reported Using Data from the 2019-2020 School Year**  
**Published During 2020-2021**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

---

About Our School  
Welcome:

I would like to welcome all of you to the 2020-2021 school year. Last year we encountered some unforeseen challenges, but it was great to see how students, families and our teachers responded. One important lesson we learned from last year is the need to make sure all students have access to updated technology to continue to make academic progress. We have worked collaboratively with correctional staff to ensure greater access for to devices and programs. We value all of our students and know this arrangement will lead to greater academic success. I want you to know that the entire staff has worked hard to prepare for this school year and we are excited to have you as part of the MCSOS Family.

We want to continue providing challenging schoolwork and opportunities to learn in groups and individually. We encourage all of you, students and parents, to communicate with us any ideas you have to make Endeavor/Voyager a better school. Field trips and other school activities will extend learning beyond the classroom, and hope to provide more of these rewarding opportunities. In addition, we invite parents to join formal committees, since your input is valuable and contributes to the best learning opportunities for your child.

While your child is with us, we will provide challenging, thought provoking learning opportunities to prepare them for success in other educational settings. The year will surely fly by, and soon it will be time to decide what you would like to do after graduating from high school. Before that day arrives, there will be many fun and engaging opportunities to learn. If there is anything we can do to support your child's academic success, please let us know.

Regards,  
Hugo Sánchez

## Principal's Comment

Students are only placed into these programs by the juvenile court. A student's probation officer may make a recommendation to the court for any of these placements.

Endeavor Secondary School and Voyager Secondary School are the assigned school names for the Madera County Superintendent of Schools Juvenile Hall and Cadet Academy educational facilities. They are both located in the same juvenile detention facility, but in separate pods of the building. While students do not interact with students in other pods during the school day, the teachers rotate throughout the pods providing academic instruction.

Endeavor students are placed in Juvenile Hall by Madera County Probation, Law Enforcement, or the Juvenile Court judge. The average stay is 10 days, however, several students are often incarcerated for longer periods. Voyager is a Cadet Academy, and students are court ordered to attend. The average stay for these students is six months. Both of these programs are fully accredited by the Western Association of Schools and Colleges (WASC). In July 2016, the Alternative Education programs of the Madera County Superintendent of Schools were given a six-year term of accreditation with a three-year review occurring in April 2019, which also supported accreditation through the 2021-2022 school year. The school offers all core academic courses and assigns high school credits toward the completion of a high school diploma.

### Mission Statement:

The mission of the Madera County Superintendent of Schools Alternative Education Programs is to provide a safe, positive learning environment that will encourage inclusion, promote life skills, provide career technical education, increase positive self-esteem, and prepare students for current and future educational and career success.

The vision of the Madera County Superintendent of Schools Programs is to provide engaging educational opportunities in a supportive environment that will promote lifelong learning and positive contributions to students' communities. SLO's (Student Learning Outcomes)

#### Be academically successful by:

1. Increasing the percentage of classes completed.
2. Improving performance in all subject areas through increased critical thinking.
3. Working toward obtaining a diploma or certificate of completion.

#### Demonstrate responsibility/accountability by:

1. Attending school on a regular basis.
2. Following school/classroom rules and expectations.
3. Being engaged in and connected to school.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Credentials

### School Facility Conditions and Planned Improvements

The facility is owned and maintained by Madera County. If there are any issues we notify the Probation Department who assigns work orders. Items are fixed in a timely manner.

The Juvenile Hall classrooms for Endeavor/Voyager from Madera County Superintendent of Schools (MCSOS) are inspected for the safety and needed repairs on a consistent basis, no less than one time per year. MCSOS employees such as administration, instructional staff and operations/maintenance staff who have been trained in the Williams procedures participate in the inspection. Since the facility is primarily maintained by Madera County Probation Department, needed repairs are addressed in a timely manner. A process is in place where needed repairs are brought to the attention of operations/maintenance staff so that repair/replacements are completed in a timely manner. Classrooms are routinely cleaned and any deep cleaning occurs during extended school breaks.

### School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Mathematics (grades 3-8 and 11)	0	N/A	1	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020-2021)

While there are few extracurricular activities for students in Juvenile Hall and Cadet Academy, parents are kept informed of their child's progress through their teachers, administration, academic counselors, probation officers, and through the mailing of various informational documents. Teachers communicate primarily through phone calls or parent/teacher/principal conferences (IEPs), but as an organization, has started using videoconferencing options to allow parents to participate and give feedback. Parents are invited to observe sports competitions held several times a year outside of the facility, along with poetry and essay contests Cadet Academy students participate in. Through the CAES Shared School Site Council (SSC), parents collaborate to approve the annual budget for Title 1 funds and help develop the School Site Plan and updating the Parental Involvement Plan.

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Graduation Rate	64	--	38.1	43.5	41.2	34	82.7	83	84.5

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.9	4.1	6.4	2.9	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			2.5
Expulsions			0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### School Safety Plan (School Year 2020-2021)

The Safe Schools Plan is updated annually. During the school year, meetings are scheduled to review the plan to ensure its continued appropriateness and to make and necessary changes based upon recommendations. Members include administrators, teachers, school nurses, maintenance and operations staff, and parents. Contents of the Safe Schools Plan include, but are not limited to, the following: safe school strategies and programs, disaster and emergency response procedures, threat assessment protocol, school discipline procedures including suspension and expulsion recommendations, procedures for safe ingress and egress from school. A survey is provided to staff members in the spring. The analysis of the results assists the committee in the development of new goals and activities to promote a safe school environment. Drills are conducted regularly to practice emergency responses. Specific trainings include Run, Hide, Fight to prepare staff for the appropriate response in the unlikely event of an active shooter. Safe Schools Plans are maintained at the sites and are approved by the Madera County Board of Education annually at the October meeting. Updates to the plan including new goals, objectives and activities are reviewed with instructional staff. The Safe Schools Plan was last reviewed during fall 2020.

### Average Class Size and Class Size Distribution (Secondary)

## Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	19	34	12

Madera County Superintendent of Schools (MCSOS) is committed to providing high quality staff development to its instructional staff including teachers, specialists, and instructional assistants. Of the 34 days of professional development for the 2019/20 school year, four were full days and 30 were weekly professional development trainings conducted every Friday for 75 minutes. Specialists from MCSOS provided much of the professional development, which focused primarily on increasing student achievement in English Language Arts and meeting the academic needs of English Learners (EL). Another important component of professional development has teachers modeling research-based effective lessons to the rest of the staff. In addition, staff is encouraged to seek out trainings, conferences, and in-services that address the most current research based instructional strategies especially for those students in alternative settings with low academic performance. In 2020-21, four full days and weekly professional development trainings conducted every Friday for 75 minutes, totaled 12 days dedicated to professional development.
